## Rosie's Girls®

Rosie's Girls® is a 3-week summer program for adolescent girls (entering 6-8<sup>th</sup> grades) designed to build self-esteem, perseverance and leadership through learning and applying basic skills in the skilled trades and expressive arts activities. The camp challenges girls to push past their own limits and allows girls to develop their own strength, power and confidence in a fun, encouraging and positive environment. Founded by Vermont Works for Women in 2000, Rosie's Girls has spread nationally to California, Ohio and South Carolina.

Join the YWCA of Greater Cincinnati and the National Association of Women in Construction to bring Rosie's Girls to Greater Cincinnati in the Summer of 2008.
